

Ocelots (Fisher Price: Animals of the Rainforest)

Heinemann English Readers is a collection of 90 readers aimed at students aged 7-17 learning English as an additional language, or those who would like extra support with their reading. Levelled into bands of Elementary, Intermediate and Advanced, these readers are categorised into three strands: fiction, non-fiction and science. Each reader includes a page-by-page glossary, language support and reading exercises to help students develop their language skills.
