

## Oh No, George!

Bold, hilarious artwork captures the innocent charm of affable George, a dog who is trying to be good with disastrous results. George is a dog with all the best intentions. And his owner, Harry, has all the best hopes that George will be a well-behaved dog when he leaves him alone for the day. But when George spies a delicious cake sitting on the kitchen table, his resolve starts to waver. You see, George loves cake... Uh-oh. What to do now? Its so hard to be a good dog when there are cats to chase and flowers to dig up! What ever will Harry say when he gets back? Chris Haughtons fetchingly funny story and vibrant, retro illustrations are sure to lure dog lovers of all ages and anyone who has ever met a temptation too good to resist.
