

Daisy and Josephine

New York Times bestselling author Melissa Gilbert makes her picture book debut with this fetching story about a shy little girl and her spunky dog, Josephine! Everyone has a favorite person, and Daddy is Daisys. But when the two of them are on the road for Daddys work, Daisy sometimes feels lonely. She is very shy and wishes she had a friend. So Daddy gets Daisy a surprise: a funny-looking puppy named Josephine. They make quite a pair Daisy with her overbite and Josephine with her underbite. Will Daisys rambunctious new friend help bring her out of her shell? This charming story of an unlikely friendship, based on actress and New York Times bestselling author Melissa Gilberts own childhood and her very own French bull dog named Josephine is one that everyone can relate to. Im so excited to share the story of Daisy and Josephine, Melissa says. I hope it will inspire children to be brave, to sing, and to always shine brightly!
