

Surf Turf (Dogga Book 1)

Dogga is a cool surfing dude that all boys want to be and all girls want to be with. Dogga just wants to surf with his mates and have fun. Is that enough or should he take responsibility for looking after others as well? Should we all make an effort to look after our planet? An enjoyable read for stage 3 readers as well as teenagers. The book deals with relevant life issues for the young Australian.
