

Little Wings #1: Willa Beans Cloud Dreams (A Stepping Stone Book(TM))

Cecilia Galante, the author of *The Patron Saint of Butterflies*, makes her Stepping Stones debut with a sweet series about a lovable curly-haired cupid. Most cupids have soft straight hair, rosy cheeks, and silky white wings. Not Willa Bean! She has a crazy mess of hair, a million-bajillion freckles, and bright purple wings with silver tips. And lately those bright purple wings with silver tips have been giving Willa Bean an awful lot of problems. They won't fly! Cupid Academy is starting soon, and what if she's the only cloudbound cupid there? Nope, nope, nopeity, nope. Willa Bean just has to make her wings behave! From the Trade Paperback edition.
