

Thankful for Addison: Personalized Book of Gratitude

THANKFUL FOR ADDISON is a personalized book of gratitude. Throughout the book, the narrator (an adorable dog) expresses gratitude for ADDISON, including the day ADDISON was born. With charming rhymes and beautiful illustrations, thanks are also given for love, kindness, friendship, nature, playgrounds, games, books, art, music, sports/play, sleep, and more. The positive affirmation I AM THANKFUL is repeated throughout the story. Studies show that an attitude of gratitude has a positive impact on sleep and health. In addition, affirmations can positively impact children's ability to overcome stressful situations. But most of all, children will love hearing the very own name read aloud and printed on the page!
