

Perrys Baltimore Adventure: A Birds-Eye View of Charm City

Scarlett and Beaugard, peregrine falcons living on the ledge of a Baltimore skyscraper, hatch four chicks. One of the chicks --Perry-- is especially eager to grow up so he can fly from the nest and explore the world around him. Beaugard promises to take Perry on a tour of the city when he is old enough. That day finally comes, and the two birds fly off on their adventure. Perry has a wonderful time seeing Baltimore's sights and learning about the famous and not-so-famous who lived in Charm City.
