

## The Business Leaders Book Club: Lessons Learned from the Recession

Lessons Learned from The Recession provides a unique and personal insight into the key decisions that 60 different business leaders made, that they believe, on reflection, were the most critical and effective actions that enabled their businesses and themselves to not only survive, but thrive during the worst global economic downturn that the world has ever seen. Our contributors come from every facet of industry to tell their stories. Some are very personal accounts, while others very generously provide detailed practical advice. Every business leader needs help, guidance and inspiration on a regular basis and this book provides that with abundance.
