

Praying the Rosary for Inner Healing

Discover the parallels between your life and the Mysteries of the Rosary while experiencing the healing graces of Our Lady. Where our lives are characterized by trauma, stress, pain, or sadness, this ancient contemplative prayer can bring acceptance, understanding, and joy. Through a series of stories, reflections, and prayerful meditations, Father Longenecker reveals a powerful and very personal approach to using the Rosary as a process of transformation and healing from the inside out.
