

Prophecy and Modern Times

There is great hope and encouragement that come from studying the prophets and their prophecies about our day. Their inspiring messages give direction that point the way for anyone struggling or discouraged in these difficult and cloudy times. Prophecy and Modern Times is an arranged collection of prophecies from both ancient and modern prophets. A foreword by President Ezra Taft Benson sets the stage. Learn how to interpret and understand prophecy. Learn its purpose in your own life. Next, read about prophecies concerning America and Palestine, and see how ancient prophets foresaw events that we are living through right now. Lastly, read about the great prophecies of the return of Jesus Christ and how he will usher in a thousand years of peace, the great Millennium.**This 2015 Izzard Ink Publishing Edition has a new cover, new book layout, updated foreword, fully linked footnotes, edited text and more.
