

## Sweet Lips Skinny Hips Vegan Cookie Book: Sinfully Delicious Vegan Wheat-free Cookies

This beautiful full-color Cookie Book will resurrect the joy of cookie baking in your family... all without worrying about weight-gain or sugar-buzz. Whoever coined the phrase a moment on the lips, forever on the hips can eat their words. These melt-in-your-mouth cookies contain the good fat that feeds our brain without collecting in our veins. The wheat-free and gluten-free flours used also keep the calories from collecting. These sweet treats will delight your palette, then move on through leaving you light. The organic and unrefined sweeteners make these cookies perfect for kids and sugar-sensitive adults. On top of all that, the method for making these cookies is so quick and easy you will be thrilled. Just process the wet ingredients in the food processor, mix the dry in a big bowl, and combine. Use a trigger scoop to place perfect half-domes of dough on parchment paper-covered tray and bake. No creaming butter, no whipping eggs in a separate bowl, no scrubbing crusty cookie pans. Enjoy these revolutionized cookie recipes that bring pleasure and health together in a sweet little package.
