

Hiding Dozi (Dozi the Alligator)

The Hoxwinder family arrives home after a long overnight drive from their Florida family vacation. Dozi, the alligator, remains undetected in the mini-van as the rest of the family is busy unpacking the vehicle. Young Byron panicking about what might happen if his parents discover Dozi decides to continue hiding the gator in the relative safety of his bedroom. After a series of visual theatrics and evasive gymnastics, Byron successfully gets Dozi to his room without the rest of his family discovering the little alligator.
