

## Red Fox on the Move

When a bulldozer tears apart the den of Red Fox and his family, they find themselves on the move. In their search for a new home, they encounter an angry snake and an owl. Soaked in the icy river, attacked by a swarm of bees, it seems as if they'll never find somewhere new to live. Then things seem to take a turn for the worse as they find themselves on a boat, heading for the city }
