

## Christianity (Religions of the World)

This series provides an introduction to the worlds major religions. Each book in the series looks at a particular religions history, sacred texts, worship in the home, places of worship, pilgrimage, festivals, rites of passage and family life. The books include discussions of contemporary religious issues, such as the role of women in Islamic society. Each volume features: points of view of people from each faith; extracts from sacred texts and quotes from key religious figures; and boxes highlighting particular symbols and customs.
