

Rhymes for Annie Rose

With her trademark simple verses and charmingly realistic illustrations, Shirley Hughes pays a visit to a lovable brother-sister pair that little readers everywhere will recognize. Coloring pictures together, creating a playhouse under the table - Annie Rose spends a lot of time with her big brother, Alfie. Whether the two of them are depicted splashing in the rain or following footprints in the snow, sailing a toy boat or watching clothes dance around in the dryer, Shirley Hughes' quiet rhymes and slice-of-life images offer snippets of the familiar moments that make up a preschoolers world - and an endearing ode to sibling and family bonds.
