

River Rose and the Magical Lullaby

The original Idol, Grammy Award-winning singing sensation Kelly Clarkson, makes her picture book debut with this enchanting story inspired by her own daughter, River Rose. The book comes complete with a link so you can listen to an original lullaby written and performed by Kelly herself. It's a big day for River Rose as she goes to the zoo! But when she's too excited to fall asleep the night before, it takes a magical lullaby from Mom to send River Rose off on a dream adventure! Soon River Rose is hopscotching with the hippos, slip-sliding with the penguins, and dancing with the big brown bears. It's a rollicking, rhyming tale from America's most beloved performer, recording star Kelly Clarkson. Come along on this bedtime journey with an original lullaby that parents and kids are sure to love! River Rose landed down in the center of the zoo. And right around the corner came a bouncy kangaroo. He was just about to ask if there was something he could do, when River Rose jumped up and said, "We've come to play with you!"
