

Shia LaBeouf (Blue Banner Biographies)

From his earliest days as a geeky boy sent to juvenile camp in *Holes* to the suave and sophisticated stockbroker in *Wall Street: Money Never Sleeps*, Shia LaBeouf has come a long way. From a difficult childhood, he learned the power of entertaining people a talent he used in every way he possibly could. Read about how this young man used his charm to bluster his way into getting jobs and getting an agent. Then find out how a few simple roles developed into leading roles in some of the biggest blockbusters of the decade. Discover how, along the way, this young man has had to deal with weighty matters, from serious injuries to run-ins with the law. As the years go by, LaBeouf's star continues to rise and it seems the future will bring huge films that will keep him in the spotlight.
