

# Roberts Rules of Order in Plain and Simple English: (Revised and Annotated) (Bookcaps Study Guides)

Roberts Rules of Order is the most commonly adopted parliamentary authority in the United States. The problem is it can be difficult to understand. BookCaps makes it simple with this version of the book, which explains each article in a way that makes sense to anyone. The 1915 version of its book is also included. This version is annotated with a new introduction. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
