

## Rocket Writes a Story

The #1 New York Times Bestseller This irresistible sequel to the New York Times bestselling *How Rocket Learned to Read* is a perfect choice to inspire new readers and writers, according to a starred review from Kirkus Reviews. Rocket loves books and he wants to make his own, but he can't think of a story. Encouraged by the little yellow bird to look closely at the world around him for inspiration, Rocket sets out on a journey. Along the way he discovers small details that he has never noticed before, a timid baby owl who becomes his friend, and an idea for a story. Declared a best children's book of the year by Amazon, Barnes & Noble, School Library Journal, and Publishers Weekly, this book is sure to appeal to kids, parents, teachers, and librarians.
