

The Story of Ronald Reagan

This title is suitable for children of ages 18 months to 5 years. President Reagan is emerging as perhaps one of the most popular US presidents of modern time, and this little story, of only about 200 words, tells his story in a way toddlers can understand. Here is Reagan as the lifeguard who saved over seventy people from drowning. Here is the Reagan who starred in the movies, once with Bonzo, the chimp. And here is the Reagan who, when he was shot, quipped `I forgot to duck`.
