

Ruth and Boaz: The Story of Yahwehs Harvest

Ruth and Boaz: The Story of Yahwehs Harvest is the original, uncut version of Fivashs book. Much more than just a simple love story, the narrative tells the tale of two people in Judah, Ruth the Moabitess, an exceptionally talented singer and composer with a very special harp, and Boaz, the descendent of a Jericho prostitute who has lost everyone he loves. Both are chosen by Yahweh to step outside the boundaries of the usual and the expected and dare to trust in a God who always thinks outside the box. The way is hard, but the harvest for both is more than they could have imagined.
