

## Sam y el dinero de la suerte (Sam and the Lucky Money, Spanish Edition)

Sam can hardly wait to go shopping with his mom. Its Chinese New Years day and his grandparents have given him the traditional gift of lucky money red envelopes called leisees (lay-sees). This year Sam is finally old enough to spend it any way he chooses. Best of all, he gets to spend his lucky money in his favorite place Chinatown! But when Sam realizes that his grandparents gift is not enough to get the things he wants, his excitement turns to disappointment. Even though his mother reminds him that he should appreciate the gift, Sam is not convinced until a surprise encounter with a stranger.
