

# The Way of All Flesh Volume 1 of 2: [EasyRead Super Large 18pt Edition]

The Way of All Flesh, a dazzling autobiographical portrayal, is considered one of the best English novels. It is a keen satirical criticism of middle-class English family life. Mans struggle for some measure of self-respect and genuine success in this cruel and unkind world is shown here. It also deals with parent-child relationship with acute sensibility. Gripping!
