

Santas Christmas Train

All aboard! Santa's Christmas train is coming to town, and children are welcomed aboard for a grand adventure to the North Pole. The lucky travelers get to see the sights along the way, the North Pole workshops, and, finally, Mrs. and Santa Claus themselves. After a photo with Santa and a special gift, the children climb back aboard the train to return home. Children will love to imagine themselves along on the journey. And the lively, humor-filled illustrations and lighthearted text will charm readers young and young at heart.
