

## Turtle of the Torres Strait (Volume 5)

Note: A percentage of the sales of this book will be donated to an organization that supports the conservation of turtles. This educational book has many features that can teach children how to care for turtles and the oceans of the world:

1. Story: Travelers, James and Joy, embark on an island adventure at the very top of Australia. After visiting Thursday Islands rich cultural and historical sites, they meet a green sea turtle. Will the children be able to help their new friend Sandy complete her quest in the Torres Strait?
2. Messages: Many messages are provided to help the turtles and oceans of the world. Heartfelt thanks to Wildlife Warriors and Australia Zoo for assisting with the factual information in this app and to the National Oceanic and Atmospheric Administration, United States Department of Commerce for providing the photos.
3. Torres Strait Culture: Learn all about the culture of the Torres Strait.
4. Age Range: By educating 9 to 11 year old children through these stories, it will deepen their understanding of people, various cultures, animals and the environment. Together we can make a difference!
5. Additional Information and Activities: For additional information and activities to support this series of eco childrens stories visit [www.lifecleansing.net](http://www.lifecleansing.net)
