

School Bus Saves the Day (Busy Wheels)

Yellow Bus arrives at school to take the class and Mr Hodges to the city carnival. From Buss big windows the children get a great view of the parade! When carnival kings float breaks down will Bus be able to help? Its time to get busy with machines that race, vroom and zoom! This vibrant series is designed to excite playful pre-schoolers. Each story features a popular vehicle as the central character, and involves a group of animal characters in a supporting role. A detailed spread on different parts of the vehicle will help children to understand what makes up the machines and help familiarise them with vehicle vocabulary and noises.
