

The Road to Damietta

Rich in the atmosphere of thirteenth-century Italy, *The Road to Damietta* offers through Ricca di Montanaros eyes a new perspective on the man who became the famous Saint Francis of Assisi, the guileless, joyous man who praised the oneness of nature and sought to bring the world into harmony. Lord, make me an instrument of Thy peace, he said. Where there is hatred, let me sow love, where there is injury, pardon; where there is doubt, faith; where there is darkness, light; where there is sadness, joy.
