

Shaun White (Randys Corner: Day by Day with ...)

After the 2010 Winter Olympics, Shaun White was famous around the world. This fearless young man is a pioneer in the sport of snowboarding. Not everyone knows how Shaun got started in this sport, however. As a young child, he overcame great challenges just to be able to walk normally. Now he not only walks, but he makes flying through the air on his snowboard look easy. Shaun is much more than an Olympic snowboarder, though. His day-to-day life is filled with exciting hobbies, meaningful charity work, and a desire to keep setting and accomplishing even more goals. Find out how practice makes perfect in this bright biography about a boarding legend.
