

Search for the Golden Moon Bear (Outstanding Science Trade Books for Students K-12)

Join Sy Montgomery as she travels far and wide in search of the golden moon bear. Along with her research companions, she delves deep into the jungles of the Elephant Mountains, visits the bustling streets of Cambodian cities, explores remote villages, and attends a Club Med for bears in Thailand all while carrying marshmallows and tweezers for her encounters with the bears along the way. The quest for the golden moon bear takes us on an exhilarating journey and chronicles the detective work and science behind tracking a new species in a different part of the world, where bears are kept as pets and where sometimes things aren't quite what they seem ...
