

Ester Bunny: An Easter Classic for Children (Easter Bunny Fables Trilogy) (Volume 1)

Will Ester give up on her dreams when she is teased and faces rejection for using her unique abilities, or will wise counsel encourage her to press on? If Ester gives up, the world may never know one of its most fabled characters, the Easter Bunny. The story line is original, delivers an excellent message, and has all the makings of an Easter classic. The book includes a Parent/Teacher Guide designed for parents and teachers to talk with children about overcoming obstacles and reaching for ones dreams. Children of all ages will feel a strong connection with Ester. The text and message is best suited for readers ages 7-9 as well as parents and teachers reading to preschoolers through 4th graders.
