

## World of Cars

Ever wonder how Mater first lost his hood? Or why Rust-eze started sponsoring Lightning McQueen? What about how Guido and Luigi came to Radiator Springs? This deluxe jacketed, hardcover storybook reveals all this and more in five delightful, brand-new adventures! Find out about Flos glamorous life before Radiator Springs and how Doc Hudson escaped the racetracks limelight to become a doctor. Plus there are two elaborate gatefolds (including a map following Guido and Luigis crazy road trip across the United States!) and an introduction by the films award-winning director John Lasseter.
