SIX SIGMA REVEALED: THE ONLY BOOK YOU CAN SIMPLY LEARN SIX SIGMA!: THIS BOOK WILL TEACH YOU SIX SIGMA IN ONLY ONE DAY!

ATTENTION! You are looking at the only book which can clearly and simply teach you Six Sigma! Take some coffee to enjoy and some paper to take your notes, and spend your day to read this great book. After one day you will have an outstanding understanding about Six Sigma and DMAIC Quality Improvement and Problem Solving Methodologies. WHY CAN THIS BOOK REALLY TEACH YOU SIX SIGMA AND THE OTHERS CANNOT? International Six Sigma Institute (www.sixsigma-institute.org) is an independent Institute which helps Organizations and Professionals get certified with our Six Sigma Certification Programs and prove their competence and knowhow in Six Sigma Methodology. Within the context of our Six Sigma training programs for our certificants, we made thorough research in Six Sigma Education space. The conclusion was: We failed to find one single textbook, we could sincerely recommend to our students! We surveyed and found out that, almost none of the Six Sigma books in the market can really help their readers make a smooth entry to Six Sigma and DMAIC domains. Significant number of Six Sigma books in the marketplace claim that they cover all details of Six Sigma, but what they are not telling is that, they dont have understandable, clear and logical content to help their readers comprehend and love Six Sigma! Therefore, International Six Sigma Institute wrote and brought this book for your attention! We are absolutely confident that this book will make you proficient in Six Sigma and DMAIC, so that you will have a better chance to love Six Sigma and keep on taking the professional benefits of this world-class Six Sigma framework. WHY SHOULD YOU LEARN SIX SIGMA? Engineering Professionals all over the world are passionate about Six Sigma! However, Six Sigma is not another hype. Six Sigma is a methodology to
