

## Skeleton for Dinner

Big Witch and Little Witch have made stew, and now they want to have their friends for dinner! But when Skeleton mistakes the guest list for a menu, he takes off running, and soon Ghost and Ghoul join him too! But poor Little Witch has no idea there's a misunderstanding. Luckily there's one creature in the haunted forest who can help everyone figure it all out. This spooky and silly read-aloud is just right for Halloween.
