

Small Florence, Piggy Pop Star

Small Florence has big dreams of becoming a piggy pop star. But when she tries to sing in front of her two older sisters, nothing comes out but a shy little squeak! When her sisters get the chance to sing in a contest on TV, Florence wishes she could join them. On the day of the competition, the judges get ready to pick a star. And then a truly amazing thing happens! Claire Alexander's sweet, funny story is an inspiring tale about believing in yourself.
