

## Smithsonian Sticker Creations: Dinosaurs

From the mighty T. rex to the towering Apatosaurus, Smithsonian Sticker Creations: Dinosaurs offers kids a glimpse into the dinosaur age through a fun and innovative format. The 64-page activity book comes with 5 oversized dimensional stickers and more than 200 reusable stickers, providing children with a unique and interactive learning experience. After reading about their favorite dinosaurs, children can place the colorful stickers in the removable frame to create their own prehistoric scene. With interesting information, detailed illustrations, and a hands-on format, Smithsonian Sticker Creations: Dinosaurs takes children on a spectacular tour through the fascinating world of dinosaurs.
