The Easter Parade celebrated composer
Irving Berlin wrote Easter Parade over
sixty years ago. Now his timeless song
comes to life in this delightfully sunny
picture book. Lisa McCues warm,
friendly art tells the simple story of a
father and daughter bunny who set off
for the Easter parade. Once on the
avenue, they join throngs of other
animals in a magical New York setting
filled to the brim with flowers,
balloons, and, of course, Easter
bonnets! This book is the perfect way
for the youngest readers to celebrate a
beloved spring holiday. The music and
lyrics to the original song are also
included as a special bonus.
