

Bugs

?Creepy crawlies turn into playful friends with this colorfully illustrated board book designed to inspire the little scientists in children everywhere.?Say hooray for Bugs, an early reader picture book perfectly suited to introduce insects to little readers! Packed with bright, cheerful illustrations, this cute collection of not-so-creepy crawlies is sure to show kids that common insects are anything but scary. From dancing butterflies to munching caterpillars, these little characters will worm their way into the hearts of preschoolers and parents alike.
