

Spring According to Humphrey

Spring is in the air, and lots of things are growing including the Room 26 family! Signs of spring are very exciting to everyone at Longfellow School. Mrs. Brisbanes class has seen flowers poking out of snow and baby birds hatching, and Just-Joey even brought in tadpoles that are growing into frogs. It also means Family Fun Night is coming up, and all of the students families are involved in making amazing activities. Humphrey helps in many ways, of course, but he cant stop wondering about his own family. He doesnt know anything about his mom or dad. Luckily, all of his wonderful friends help him see that families come in many shapes and sizes, and Humphreys might be the biggest (and best!) one of all.
