

Squanto and the First Thanksgiving: The Legendary American Tale (Rabbit Ears Holiday Classics)

Discover the moving, true story of the Native American named Squanto, who is captured from his beloved Pawtuxet tribe, taken to Spain, and sold into slavery. Years later, Squanto regains his freedom and embarks on a miraculous journey back to his homeland where he teaches the Pilgrims how to survive the difficult early years in the Plymouth colony--culminating in the first Thanksgiving celebration. A touching drama about trust, faith and renewal beautifully illustrated by Michael Donato. The Rabbit Ears DVD version of this title (narrated by Graham Greene) earned the American Library Association Notable Childrens Video Award and the Columbus International Film & Video Festival Award.
