

## An Octopus Is Amazing (Lets-Read-and-Find-Out Science, Stage 2)

[Here is] a charming introduction to the truly amazing octopus [from its intelligence to its ability to change colors to the camouflaging black ink it squirts to escape predators]. Laubers chatty, fact-filled text makes the book a good read-aloud, and Kellers amusing and colorful drawings enhance its perfect match of text and illustration. SLJ.
