

Warriors: The New Prophecy #4: Starlight

Erin Hunter's #1 nationally bestselling Warriors series continues in Warriors: The New Prophecy now featuring fierce new art. The fourth book in this second series, Warriors: The New Prophecy #4: Starlight, brings more adventure, intrigue, and thrilling battles to the epic world of the warrior Clans. Before there is peace, blood will spill. The Clans have finally arrived in their new home, and now they must struggle to establish territories and learn the hidden dangers of this unfamiliar world. Most important, they must find a replacement for the Moonstone a place to communicate with StarClan. But more than one cat is harboring sinister plans that could lead to violence and darkness, and as the warriors wait for a sign, they begin to realize that the threats they face in the forest may not be as perilous as the threats they face from within. Supports the Common Core State Standards
