

## Steve Jobs for Kids: A Biography of Steve Jobs Just for Kids!

He was one of the most brilliant men in the world. Without him, there would be no iPads, iPhones, or Macbooks. But who was he really? This book, just for kids, will look at his childhood, education, marriage and work to see what made him who he was! KidLit-o is a leading childrens book publisher; each month, it publishes several history, science and language arts books.
