

## EyeLike Nature: Sticks

The EyeLike Nature series presents a world in which sticks become swords, magic wands, and even fishing rods! In delightful full-color photographs, the simple pleasures of the backyard come to life and reveal the ways in which young children engage with their surroundings with an unmatched curiosity and openness. Each page is simple yet dramatic in design and detail, and is complimented by clear and engaging text. Sticks can make pictures in the sand. Sticks can be arms for a snowman! Explore the world of sticks through the eyes of a toddler in EyeLike Nature: Sticks. For the youngest of readers, this board book provides simple language and beautiful, familiar photographs that every child will relate to.
