

At The Zoo (Moms Choice Awards - Gold Recipient) [Tell Me, Tell Me, What Do You See? TM Series]

AT THE ZOO is a title in the Tell Me, Tell Me, What Do You See? TM Book Series - a Moms Choice Awards Gold Recipient! Help your pre-reader get ready for Kindergarten! UNIQUE, really FUN accordion fold books! This educational picture book series was created by a Junior Kindergarten teacher and mother of three in a distinctive accordion-style format for pre-readers of all abilities. Made in the USA with non-toxic soy-based ink and non-toxic UV coating for spill resistance. Each book illustrates five basic concepts of action, color, number, size, and description in a fun accordion format. Playing with the accordion-style book helps children practice problem solving skills which are needed for cognitive development. The unique format presents children with different fun ways to enjoy reading. Stand them up, lay them flat, or read them like a book! Manipulating the fold enhances motor skills. The books have sight words to help master basic reading skills, and repetitive text for fluency to grow confidence and vocabulary. The large, vivid photographs encourage the child who is learning to read to engage in conversation by relating to the familiar and unfamiliar in the world around them. Take-along size 5.5 x 6 fits easily in a purse or backpack. The books provide a really fun way to learn to read and kids learn best when having fun! BONUS: Stickers included.
