

Lipstick On A Pug - Coloring Book

Its the 1970s, and life changes completely for a little girl named Lauren when she meets the most curious, incredible creature she has ever seen. With its wrinkly face, bulging eyes, and a nose that looks like its been smashed by a freight train, its the most pitiful creature shes ever seen...and the most loveable. Her name is Tuttie, and shes a pug. Her owner left her at the vets office and never came back so Lauren and her family adopt her. Lauren and Tuttie are two peas in a pod. They become inseparable. Then one day, Laurens grandma brings her a pair of red clip-on earrings and bright-red lipstick. Thats when Lauren learns that when you put lipstick on a pug, you can conquer the world. Lovingly illustrated by Florina Boldi with her artwork converted to a coloring book style, this touching tale for children tells the story of author Lauren Darrs first pug, Tuttie, the inspiration for a lifelong love of the breed and pet fashion. About The Author: Lauren Darr has been owned by pugs since her first pug rescue of White Pines Tuttie when she was just six years old. Tuttie had never been out of a cage or even uttered a bark. She was the joy of Laurens life until she left this world at the age of 15 (human years, of course!). This silly pug would let Lauren dress her, put clippy earrings on her, and even put lipstick on her. Theyd spend hours tootling around the neighborhood dressed in their Sunday best, which is why Tuttie served as the inspiration for the launch of the International Association of Pet Fashion Professionals over thirty years later. Lauren has had many pugs since. Zacchaeus was a gift to her for her 16th birthday. She has also featured family rescue pugs Inky & Sarge (brother and sister) and Benji, in her Pug Fairy Tale Series story adaptations. Her busy Chicago-area home is filled with her husband, her son, a fabulously fashionable pug named Bella and a blue and gold
