

## Strega Nona: Her Story

Tomie dePaola serves as biographer to his delightful Italian sorceress, Strega Nona, in this beautifully drawn prequel. The tale begins with little Nonas birth on a dark and stormy night, and ends where the original Strega Nona picks up-with Strega Nona taking on the bumbling, knock-kneed Big Anthony as an apprentice. This winsome story is illustrated throughout with Tomie dePaolas warm and sunny watercolors! dePaola does a splendid job of working this sparkling tale into the Strega Nona canon. -Publishers Weekly
