

Super Science Lab Activity Book

Blast Lab Activity Book catapults young readers into the role of scientists, explorers, and inventors. Packed with easy-to-follow yet spectacular experiments, as well as sticker sheets, quizzes, and astonishing extra information, the book will keep curious kids occupied for hours. By following the step-by-step instructions, young inventors can create their own fantastic flying machines from household objects, fool their brains with mind-bending illusions, and learn about physics, chemistry, psychology, and more along the way.
