

Supersnouts!

Its a quiet, peaceful evening, and all is well at Farmer Franks Right? Wrong! Two villainous figures dart from shadow to shadow, sneakig toward the farmers house. Who will put a stop to these burglars before its too late? Three power parkers, thats whol! Up in the sky! Its a bird! Its a plane! Its... SUPERSNOUTS! Hamlet, Snoutbuster, and Kernel Hog prove that hooved heroes in tights are better than any burglar alarm in this hilarious picture book.
