

Theres a Frog Trapped in the Bathroom

Illustrated by a teenage girl and inspired by a true story, this charming and rhyming story captures the antics that ensue when a frog gets trapped in a girls school bathroom. Girls scream and run as the frog swims in the sink, climbs on walls, and looks in the mirror. A surprise occurs on the last page when the girls discover something even more disgusting spider. Visually appealing and fun, the rhyme scheme is perfect for beginning readers.
