

Encounters with Jesus: Unexpected Answers to Lifes Biggest Questions

New York Times bestselling author of The Songs of Jesus Timothy Keller explores how people are changed by meeting Jesus personally and how we can be changed encountering him today. The people who met Jesus Christ in person faced the same big life questions we face today. Like most of us, the answers handed down to them didn't seem to work in the real world. But when they met Jesus, things started to change immediately for them. It seems he not only had the answers he was the answer. In Encounters with Jesus, Timothy Keller shows how the central events and meetings in Jesus life can change our own lives forever.
